Special conditions applicable to cheques

First amount payable applicable to theft of cheques

Any loss or series of losses attributable to one original event which is payable under this section and which results from the theft of any cheque or cheques shall be reduced by a first amount payable of 25% (twenty five percent) of the loss indemnifiable by this section unless:

1. Cheques drawn by the Insured

   (a) the cheque has been drawn and crossed exactly in accordance with the undermentioned procedure for "drawing and crossing of cheques" or any other superior method approved by the company and the printed portion of the cheque (as opposed to the written or typed portion) has been printed by the bank itself or a printer licensed to print cheques by the Automatic Clearing Bureau or
   (b) the cheque drawn has been dispatched to the payee by certified post or any post where security is equal or superior to certified post

2. Cheques drawn by someone other than the insured and which were received by the insured by post or direct by the cashier

   (a) such cheque has been crossed and marked "not negotiable" and marked "not transferable" immediately on receipt thereof by the insured and
   (b) the insured is able to identify the drawer and amount of the cheque from their records

3. Cheques of which the insured is the true owner which were drawn by someone other than the insured and posted to the insured but not received

   (a) the cheque has been drawn and crossed exactly in accordance with the undermentioned "procedure for drawing and crossing of cheques" or any other superior method approved by the company or
   (b) the cheque was dispatched to the insured by certified post or any post where security is equal or superior to certified post or
   (c) the invoice of the insured (to which the payment by cheque relates) contains a message (approved by the company) on it recommending or requiring that the cheque be drawn in accordance with the undermentioned "procedure for drawing and crossing of cheques".

Procedure for drawing and crossing of cheques and printing of blank cheques

A. Drawing and crossing of cheques

   One of the safest methods of drawing and crossing a cheque which is acceptable to banks is as noted hereunder. This method is recommended by the company

   1. Delete the pre-printed words ‘or bearer’. This limits the possibility of the drawee bank paying out to a bearer who might not be entitled to payment.
   2. If instead of “or bearer” your cheque has pre-printed on it “or order” these words must also be deleted.
   3. Write on the face of the cheque the words “not transferable”.
   4. Cross the cheque by drawing two parallel lines across the cheque.
   5. Write the words “not negotiable” between the two parallel lines referred to in 4 above.
   6. Ensure that the payee is accurately, properly and fully described for example where the payee is a company its full name should be used: RH Jones (Pty) Ltd not just RH Jones

   Where the bank account number or CC number of the payee is known this should be included after the name of the payee, for example, “RH Jones (Pty) Ltd, Co No: 69/123456” or “RH Jones (Pty) Ltd ABC Bank account no: 123456789”.

   Whilst highly recommended it is not compulsory to use the bank account number of the payee.

   7. In drawing the cheque no spaces should be left which would allow anyone to add extra words or figures.

   8. An example of this method of drawing a cheque is attached as Annexure A.

   9. On the rear of the cheque the wording listed in Annexure B (last page of this section) should be printed. Please ensure that space is left on the rear of the cheque for bank stamps and endorsements.

   10. All the markings on a cheque should be legible and clearly visible. Persons drawing cheques should not use abbreviated or different versions of the terminology used in the example. The words “not negotiable” and a crossing using a rubber stamp containing a rectangle rather than two parallel lines are worthless.
11. The method used to complete cheques should be one which makes an ink impression on the paper like handwriting, a typewriter or a dot matrix printer. The ribbon used on the printer/typewriter should be of the type which impregnates the paper with ink. Do not use:
   (i) old ribbons
   (ii) laser printers which do not make an impression into the paper
   (iii) the “reverse printing technique”
   (iv) correctable type ribbons.

B. Printing of blank cheques
Blank cheques should only be printed by the Bank itself or a printer licensed by the Automatic Clearing Bureau. These printers know the recommended requirements of banks and should only use approved:
   (i) security paper (CBS1 or superior)
   (ii) security designs
   (iii) special security inks compatible with the security paper/design
   (iv) methods which make it difficult for anyone to make a supply of blank cheques by photocopying the originals.

Burglar alarm warranty (if stated in the schedule to be applicable)
(1) In respect of any premises stated in the schedule to be subject to this condition at which a burglar alarm is installed it is a condition precedent to the liability of the company and warranted that
   (i) the burglar alarm installed at the premises shall be made fully operative whenever the protected building(s) is/are not open for business unless a principal, partner, director or employee of the insured is in the protected building(s).
   (ii) unless specifically stated to the contrary, all buildings on the premises are protected by the alarm and it is further warranted that:
(2) where the alarm is an approved certified burglar alarm the company shall be entitled to request full information of the relevant arming and disarming log after the occurrence of a loss.
or
(3) where the installed alarm is not an approved certified burglar alarm
   a. the said alarm is to be a dual monitoring alarm where available (for the purpose of this requirement dual monitoring shall mean that after the alarm is triggered a signal will be transmitted by two different methods to the control room of the company monitoring the alarm)
   b. if the company which installed the said alarm system operates an armed reaction unit, the contract for the said alarm shall include the armed reaction unit’s services, where available
   c. the control panel shall have an event log and the arming and disarming of the alarm is to be logged and after the occurrence of a loss, the company will be entitled to request full information of the relevant log
   d. such alarm shall be maintained in proper working order but the insured shall be deemed to have discharged their liability in this regard if they have maintained their obligations under a contract with the suppliers or servicing engineers of the alarm system.

Loss of or damage to the property following the use of keys, the keypad code or remote control of the burglar alarm or any duplicate thereof belonging to the insured is not covered unless such keys, keypad code or remote control have been obtained by violence or threat of violence to any person or such keys, keypad code or remote control was obtained by theft.

(6) Arbitration
(a) if any difference shall arise as to the amount to be paid under this policy (liability being otherwise admitted) such difference shall be referred to arbitration in accordance with the arbitration laws for the time being in force in the Republic of South Africa, and at such place as SASRIA may determine.
(b) where any difference or dispute is in terms of paragraph (a) above to the referred to arbitration the award of the arbitrator(s) shall be final and binding and the making of such award shall be a condition precedent to any right of action against SASRIA under this policy.

(7) Limitation
In no case whatsoever shall SASRIA be liable under this policy after the expiration of 12 (twelve) months from the happening of the event unless the claim is then the subject of arbitration, or court proceedings already instituted.

(8) Average
If the property insured hereby shall at the commencement of any destruction or damage to such property be of greater value than the total value on risk appearing in the schedule to this policy in the case of the motor dealer or fleet owner then the insured shall be considered as being his own insurer for the difference and shall bear a rateable share of the loss accordingly.

(9) Total Loss Of Property
If any motor car or other vehicle described in the definition the "property" above be treated as a total loss by SASRIA then all cover in terms of this policy shall terminate in respect of such motor car or vehicle from the date of such total loss and no refund or premium shall be payable to the Insured.

(10) Premium
Notwithstanding that the period of insurance stated in the schedule to this policy may be less than 12 (twelve) months the minimum premium payable by the Insured shall be the full annual premium.

(11) Validity
This policy shall not be valid unless countersigned by the nominated Insurer.

(12) Alteration Of Use Of Property Insured
SASRIA shall not be liable in respect of any loss of or damage to the property if at the time of such loss or damage the property was being used by the Insured or any person acting with the knowledge of the insured in any manner which would ordinarily have required the property to be insured in a higher rated category than that used for determining the premium shown in the schedule.

(13) Territorial Limitation
The cover is restricted to property within the Republic of South Africa.

(14) Cancellation
This policy may be cancelled at any time at the request of the insured, but in such cases no refund or pro-rata refund of premium shall become payable.

(15) Fraud
If the claim be in any respect fraudulent and if any fraudulent means of devices be used by the insured or anyone acting on his/her behalf to obtain any benefit under this policy and if any destruction or damage be occasioned by the willful act and with any connivance of the Insured, all benefits under this policy shall be forfeited.

(16) Misrepresentation
This policy shall be voidable in the event of any material misrepresentation, misdescription or non-disclosure.

(17) Reporting Events To Authorities
All events which may give rise to a claim in terms of this policy must be reported to the South African Police as soon as reasonably possible.
